

Parents as Partners 2010-2011

Research indicates that greater family presence and participation in schools boost children's academic achievement. At Wheatley, we see Parents as Partners and welcome your help in making every child successful. Time is precious in this hurried world and we appreciate any small amount of time you can give by volunteering for any of the activities listed below.

**Please check which activity interests you and return this form to the office.
Thank you.**
